

GLOBAL PRAYER MATTERS

(Edition PM17.24 Tuesday 13 June 2017)

Bethany Kapezya (*DR Congo, DPG Day 1*)

Pray for Bethany as she fell into a hole recently and injured her back (one compressed vertebra), for which she has started physiotherapy. Pray that she makes a full recovery and stays pain-free.

Gary and Louise Bryar (*Brazil, DPG Day 4*)

Pray for Brazil which is going through its worst political and economic crisis in history, which has also affected the Bethel Bible Camp ministry. Praise God that Gary's health is improving. Pray for Louise, who is having physiotherapy for her knees.

Paul and Daphne Chapman (*Venezuela, DPG Day 6*)

Pray for Venezuela which is also burdened with political and social unrest. Paul and Daphne are waiting until the situation calms down enough for them to return — pray for wisdom as they decide when that will be.

Edward and Ruth Smith (*Venezuela, DPG Day 6*)

Pray for Edward who has been diagnosed with Parkinson's. Pray for Ruth to stay well too, as she was unwell for several months. Pray that their back pains will ease with massage therapy, and that they can be more mobile. Praise God that there is still freedom to gather as believers in Venezuela and to preach the gospel, despite the current turmoil. Praise God for well-attended Easter conferences; pray that seekers and new believers will be followed up effectively. Praise God that they were able to attend and help at the annual conference in Sincelejo, Colombia. Pray for them to return safely to Venezuela on Thursday.

Mark and Alex Ronalds (*India, DPG Day 8*)

Thanks to all for praying for Aimee, who is recovering well and hoping to return to school this week. Pray that she makes a full post-op recovery. Pray that Mark and Alex can regain their energy quickly after a hectic fortnight.

David and Julie Ward (*Philippines, DPG Day 11*)

Pray that they can have ongoing safe access to Menti, so that they can continue to teach and disciple the people there. Pray that the young believers will understand the significance of baptism. Pray that the remainder of the 'Creation to Christ' lessons can be recorded soon.

Woody and Bev Baker (*PNG, DPG Day 16*)

Praise God that they were able to be present at the dedication of the completed Roviana Bible in Honiara, Solomon Islands. Woody facilitated a discipleship training course for YWAM (Youth With a Mission) Discipleship Training School students so they could participate in the post-dedication outreach events. Bev proofed and printed SALT (Scripture Application and Leadership Training) workbooks and posters that had been translated at the last minute for use in the course and ministry outreach.

Kevin and Eloise Dyer (*Specialists, DPG Day 19*)

Pray for Eloise who had a mini-stroke a couple of weeks ago. Praise God that she fully recovered; pray that it doesn't recur, and both Eloise and Kevin stay healthy.

Ross and Lea Ginn (*ex-Philippines*)

Praise God that Ross has no sciatica pain after having lower back surgery. Pray for Lea who has a bad cold. Praise God that her knee is slowly improving. Thank God that the ROC Ministries team arrived safely in Manila. Pray for their safety and protection during construction and travel.
