

# GLOBAL PRAYER MATTERS

(Edition PM17.48 Tuesday 28 November 2017)

**Richard and Anne Hoyt** (*Chad, DPG Day 1*)

Pray for God's protection for 'Lydia' and her children as they flee again from her abusive husband and family. Pray for them to find a place of rest, peace and safety. Pray that Lydia will establish herself as a good seamstress to support her family. Pray that other believers will help and encourage Lydia and her children. Pray for the Lord to bring healing to this family. Pray that they will all be free from further physical and psychological trauma and abuse.

**Byron and Lyn Johannesen** (*Colombia, DPG Day 4*)

Praise God that they have bought a 2015 Hyundai Tucson. Thanks to those who have helped with the purchase. Pray for the timely sale of their old car. Pray for young believers to continue to make wise life choices, even as they grow in their faith.

**Phil and Sandy Jones** (*Mexico, DPG Day 5*)

Pray for those who are still rebuilding after the September earthquakes. Praise God that Phil and Sandy were able to bring donated supplies to some areas of need. Pray for Chuy and other believers who helped with disaster relief and sharing the gospel during this difficult time, while also affected by the earthquake themselves.

**Peter and Phoebe Noble** (*NSW, DPG Day 6*)

Praise God that the believers at Kingsgrove (Arabic) Gospel Chapel are in their new building. Praise God for the new people that the Lord has brought their way. Pray that long-lasting friendships will develop from neighbourhood contacts, and that salvation will come to the unsaved. Pray for Peter and Phoebe to stay in good health as they minister to Arabic-speaking people.

**Phill and Annelise Brewster** (*Australia, DPG Day 13*)

Praise God for protecting Phill and Annelise during their long-distance travels. Pray for their safety as they attend a wedding in Broome in early December, and as they attend a conference in Port Augusta after Christmas. Pray for ongoing opportunities to share with families in Broome. Pray for protection from the over-40-degree heat, especially when travelling by road.

**Darren and Meredith Lydeamore** (*SA, DPG Day 13*)

Pray for Darren who, as MAF Regional Maintenance Support Manager for the Asia-Pacific region, has had excessive workload (precluding effective deputation) and limited support. Pray that this imbalance can be addressed soon.

**Craig and Sharon Vanderduys** (*PNG, DPG Day 18*)

Pray for the family to travel safely as they return to Brisbane on 22 December to help the boys adjust to life here again. Pray for Reuben as he finishes with YWAM Newcastle in January, and then starts studying physio at ACU in Banyo. Pray for Joel as he studies Art through the University of Canberra at the South Brisbane TAFE campus in 2018.
