

GLOBAL PRAYER MATTERS

(Edition PM18.22 Tuesday 29 May 2018)

David and Julie Ward (*Philippines, DPG Day 11*)

Praise God that Julie has been given the all clear after her surgery. We give our deepest condolences to Julie on the passing of her father in April. Pray for her mother who is very frail. Pray for Julie as she cares for her and looks after the admin side of their ministry from Australia. Pray for Dave to stay safe as he travels in and out of Menti — teaching, training and discipling the local believers, as well as recording and editing Bible lessons.

Daniel and Candide Weekes (*France, DPG Day 14*)

Pray for Dan and the rest of the church council as they deal with a very difficult situation involving a church member. Regardless of the steps taken the outcome will be messy and sad, despite it being necessary.

Colin and Marg (*Restricted Access, DPG Day 24*)

With regards to Marg's international school, pray for wisdom and discernment in registering the pre-K and K classes under a suitable local person while retaining them as part of the school. Pray for the ongoing search for a new school location. Colin attended a conference in Germany in April — praise God it went well.

INTERNATIONAL SCHOOL MATTERS:

1. **Mark and Alex Ronalds** (*India, DPG Day 8*) have previously mentioned that *Hebron School* don't have enough teachers for the school year starting in August. Positions include junior school teachers; teachers of geography, music, history, chemistry, religious studies and special needs; heads of science and modern languages. More details are advertised at <http://hebronooty.org/join-us/>.
2. **David and Stacie** (*Restricted Access, DPG Day 23*) of *PAIS* (Promise An International School) report the urgent need for suitably qualified Christian teachers for primary school positions and specialist teachers for secondary school positions. We can provide contact details and more information about the Promise package for overseas staff.
3. **Ross Ginn** (ex-Philippines worker) also reports that *Faith Academy* urgently needs elementary, middle and high school teachers for the school year starting in August — more details can be found at <http://faith.edu.ph/serve>.

Russ and Ruth Keanalley (*DPG Day 26, Thailand*)

Please pray for the Phrasiri church as the neighbour's claim for damages is heard in court on 4th and 5th June. This follows damage caused to his property during the construction of the church building last year. The neighbour has steadfastly refused to negotiate any settlement outside the court process.

Pray for Mark, our webmaster and Mailchimp sender of Prayer Matters, as he recovers from pneumonia. Please note that if he's unable to send PM for whatever reason and I have to send it, I'm getting bounced emails from TPG subscribers, i.e. those people won't be getting PM because TPG most probably identifies it as spam (this happened with Optus and Bigpond previously). Regardless of whether this applies to you or not, please make sure that as a PM recipient you have info@amtglobal.com.au on a 'friendly' or 'not spam' email list. Thanks.
