(Edition PM20.39 Tuesday 22 September 2020)

C & A (*Restricted Access, DPG Day 25*)

C, A, J and E have had malaria; T and C also had wasp stings, and E had tonsillitis. **Praise** God they are better now. **Pray** that the family stays healthy and well. **Praise** God for opportunities to witness and to see people turn to God. **Pray** for the Centre whose support has been significantly reduced this year, and had to close during the pandemic. **Pray** that it can re-open in 2021. **Pray** for their language learning and praise God for a new helper. **Praise** God that C has been able to finish two staff houses; **pray** for him as he plans to improve the functionality of the centre. **Praise** God that the kids' term 3 books arrived at the end of the term! **Pray** for the safety of those affected by severe flooding due to heavy rain.
