## **Simon & Dorcas Mubanga, (Zambia, DPG Day 3)**

Pray as we seek to become operational at the Blessing centre. Once in operation, we will have the privilege of making our own money for the ministry here. Pray for funds to see this happen. Also, please pray for us to be able to provide salaries at Tetekela Christian School and the staff. We haven't been able to pay for 2 months and if the Lord does not provide for the solution, we may be forced to shut down affecting the 400 students.

## **Seng Hock & Luba Yeoh, (Japan, DPG Day 7)**

On April 13, we began attending Setagaya Church. It's been encouraging to see growth in the small Chinese-speaking group there. Two women are currently preparing for baptism, and just last week, a 19-year-old newcomer from the big country joined the group. Please pray that these students would develop a deep hunger for truth and purpose in life. Excitingly, the very first weekly Chinese Bible Study kicks off on 28 April with one student, Angel. Please pray that God will draw more Chinese students to join the study and encounter Him through His Word. Please also pray for our Japanese language learning—that we can stay focused on class days, and maintain a joyful, steady attitude even when progress feels slow or discouragement sets in.

## **Paul & Debbie Howells, (Philippines, DPG Day 8)**

A bit of news that is brand new is that last week we had our Annual Men's Conference in Lapoc. In 2024 there were 300+ men who attended, and I taught on marriage and men's responsibility in the marriage relationship. Well this year there were 552 men in attendance – an amazing turnout. The topic this year was – “Being A Loving Father”, emphasizing the father's role in parenting. The sessions we had were awesome with a capital A!!! As these men have gone home to their home churches, many testimonies have been relayed back to us of what has been taking place. God has been working mightily through this conference and families are being strengthened, especially father-son relationships.

## **Mark & Priscilla Jennings, (Australia, DPG Day 12)**

Priscilla is currently heavily involved in arranging a missions conference for Korean Christians in Sydney, May 12-25. WEC Korea are sending some great speakers. She is the go-between for WEC Korea-WEC Australia-Korean churches. She has ended up doing most of the organizational work; much more than she originally anticipated. It's stressful but she is looking forward to seeing it come together. Also, please pray as we prepare to move to Sydney in July. Neither of our girls will go with us but endorse our decision to relocate.

## **Christina Eglinton, (Specialist, DPG Day 24)**

Praise God for a very successful Vacation Bible School this month! We had good attendance all week with a maximum of 144 kids. Fifty of these students were in the 13-17 year age bracket which we were very happy about, as these are the teenagers who most often mess up their lives with mischief & misbehaviour. Pray for lasting spiritual fruit in the lives of these many young people! Please pray for God's provision of sponsors for the 4 new kids, Ryan, Caleb, Maimuna & Adan. Pray for protection from spiritual attack for all staff & children & sponsors of Solidarity. Satan is very active against any project that seeks to enlighten people to the truth of God's Word.

## **Rich & Anne Hoyt, (Specialist, DPG Day 25)**

This is a BIG week ahead of us as we build towards Mom's memorial service on May 2nd. There will be a lot of family and some friends coming into town, all up we should have 39 of our Hoyt family members in attendance! Please pray for safety on the roads, in the air and on-time flights for all the traveling this week by our family and friends. Our heart's desire is that the name of our Lord will be uplifted and honoured, and that Mom's life will also be honoured as we spend time together celebrating her life and legacy.

## **Walter Wetzel, (AMT Team, DPG Day 26)**

Pray as Walter travels to PNG with 2 Aussie church members. Pray for safety and no hitches with flights or travel. Pray as they look into ministry opportunities there and meet with Carol Lutah and CBM staff.

**Paul & Fenny, (Restricted Access, DPG Day 28)**

Last year, K led a short-term team of 4 young men to stay and volunteer at his parents' village. During that time, C invited them for a meal and had his questions about Jesus answered. Subsequent to that, he gave his life to J. However, as he was alone in that village when K was away for several months, he reverted to his old ways. Recently, K encouraged him to fully commit to following J, and C has since decided to be baptised. This is a humungous step for him as it will mean lots of backlash and persecution from his fellow people. He is the second person from this village to take this step. Please pray for his faith and that in time more will follow. Please pray for K who has been faithful in going back to work among this village. We're so encouraged!

**Tess, (Restricted Access, DPG Day 29)**
