Abbey, (Restricted Access, DPG Day 1)

Ask Father for more opportunities to deepen relationships with ladies E, J, H & C. Pr** that the completed video projects would reach and touch people. Pr** for me as I miss friends and family.

David & Stacie Coates, (Restricted Access, DPG Day 5)

Pr** for favour with governments and other authorities in all three countries as the schools meet demanding compliance requirements. Pr** for funds to sustain the 'Teach the Teacher' Project and the logistics of making this happen. Pr** for the registration process, especially the building program and that the needed funds will arrive safely. Pr** for the young people, their families and the communities whom the schools serve, especially for real engagement with the Giver of Life.

Byron & Lyn Johannesen, (Colombia, DPG Day 12)

Praise God for those baptised last month. Pray for the growth of the new church plant in Bugalagrande. They recently started to celebrate the Lord's Supper. In a few weeks we'll start another church plant in Buga. Pray for Olmey and Byron as they support the struggling churches in Guatica and Montenegro.

Herman & Belinda Lamprecht, (South Africa, DPG Day 14)

Pray for the AudiBible ministry as we are experiencing difficulties with transportation of AudiBibles. The 600 devices for Zimbabwe, Malawi and Mozambique were not allowed on the plane. Pray for Herman to find another way to get these delivered. Pray for the safe arrival of the shipment to Sierra Leone. Pray for complete recovery for Amos who broke his arm in a softball game.

Darren & Meredith Lydeamore, (QLD, DPG Day 15)

Besides his role as Manager of Technical Support for MAF International, Darren is the temporary Quality and Safety Manager in Australia until a replacement can be found. Please pray that a suitable person will apply and be appointed for this position, and that Darren remains fit and healthy and able to juggle the many tasks required for these two roles.

Gavin & Janet Petersen, (QLD, DPG Day 20)

Pray as we visit Brazil in October/November. Pray that Gavin's Parkinson's symptoms won't be a hindrance. Pray for the online English classes, for spiritual enlightenment as the students work through the book, "His Story". Pray for R.I. in Queensland schools and for those taking our classes while we travel.

Rob & Denise, (Restricted Access, DPG Day 22)

PTL our friend has found a place to live and we have found work for him. Continue to pr** for wisdom and his spiritual growth. Pr** for visas for the 2 ladies who are meant to arrive this month.

Samuel & Alissa Sanchez, (Colombia, DPG Day 22)

Hannah is home after 11 days in hospital. Her pain is under control through a patch. She was given Critical Home care, so therapists and her GP come to the house. She is now a patient in one of the best research hospitals in Colombia. PTL! Despite all her struggles, Hannah smiles, is kind, and is thankful to the medical staff. She is leaving her mark in their hearts and we pray that many will come to know Christ because of one beautiful, brave teenager.

Simeon & Mary Tuyizere, (Ghana, DPG Day 26)

Please pray for the Fulbe elders and the community at large to understand Christ's worth and embrace Him no matter the cost; a respectful and culturally sensitive team to work with us in discipling the Fulbe after the literacy program; a breakthrough for other economic and social empowerment projects.

Matt & Debi Zook, (Mozambique, DPG Day 29)

Pray for the Bible and tract distribution trip – Matt plans to be gone 4 days. Pray for the translation work. We are working on scheduling the rest of Psalms either late this year or early next year. Pray as we spend time with the church encouraging God's people to live faithfully.
