Abbey, (Restricted Access, DPG Day 1)

Pray for grace in this final stretch of placement—thanking God for restored health, a stable home, and meaningful creative work. Pray for wisdom as next-step decisions take shape, especially around study, part-time ministry possibilities, logistics, and finances. Pray for good goodbyes in June, for deep encouragement at the creative ministry conference, and for friend L to find lasting hope in Jesus. Pray that these remaining weeks are fruitful, focused, and full of God's presence.

Trevor & Manoli Allan, (Spain, DPG Day 1)

Pray for wisdom and grace as the pilgrim season begins in Spain, for meaningful conversations, protected and strengthened volunteers, and fruitful monthly retreat-and-service programs. Pray for healing for the architect and provision for the building project. Pray for God's covering over their family amid opposition, and for His blessing on the church fellowships in Narón/Agua Viva and Ribadeo.

Bill & Sandra Callister, (NSW, DPG Day 3)

Pray with thanks for Bill's PNG visa renewal and for safe travel on 23 May. Pray as they finalise scripts for recording Acts in Saisai and Isaiah and Psalms in Misima, and for clarity and stamina in the final preparations. Pray for the 10 Saisai readers and translators undertaking the long 30-hour boat journey—asking God for protection, smooth travel, and fruitful recording sessions that will bless both language communities.

Phil & Fiona Emery, (PNG, DPG Day 8)

Pray with thanks for the Craigmere church family as Phil and Fiona prepare to say their goodbyes and finish ministry over the coming month. Pray for their PNG visas to be granted quickly, and for the prayer and financial support needed as they aim to return in July. Ask God to steady their hearts and guide each step of this transition.

Byron & Lyn Johannesen, (Colombia, DPG Day 12)

Pray for comfort for Carlos's mum, Carmen, grieving the loss of her son, and for many touched by his life and testimony to come to Christ. Pray for safety in Colombia amid rising violence and political unrest. Pray for wisdom for leaders supporting struggling churches in Guatica, Padua, Neiva, and Buga. Pray for healing for Hannah and the Sanchez family, and renewed strength for weary workers feeling discouraged.

Herman & Belinda Lamprecht, (South Africa, DPG Day 14)

Pray with thanks for the joy of the wedding, safe travels, and rich family time. Pray for Herman's upcoming trip to Germany—safe travel, fruitful meetings, and peace for the family at home. Pray for protection after the recent car theft and for the family to shine as salt and light amid security challenges. Pray for God's wisdom in personal and ministry decisions, and for ongoing provision, encouragement, and guidance.

Elise Long, (Philippines, DPG Day 15)

Pray for strength, clarity, and protection as Elise navigates an intense season of ministry—grieving families, land-rights advocacy, organic-farming training, youth preparing for VBS, and new scholarship students. Pray for comfort for the family of the little girl who drowned, and for wisdom in sensitive abuse-related meetings. Pray for the Menti church shepherds, for fruitful final weeks before Australia, and for God's Word to continue bearing powerful fruit among the Palawano people.

Carol Luttah, (PNG, DPG Day 15)

Pray with thanks for the Women's Convention and the grace to share openly about the closed door at CBM. Pray for meaningful part-time work to support studies at ACCS, and for strength to persevere through the overwhelming adjustments of settling in Sydney. Ask God to provide peace, clarity and steady encouragement in this season of transition.

Simon & Dorcas Mubanga, (Zambia, DPG Day 18)

Pray for the three young assemblies to grow in strength and unity, and for provision of an assembly hall in Nshenda. Pray for Tetekela Christian School—over 600 children—with urgent needs for desks,

materials, and new classrooms as they continue offering free education. Pray for funding and power connection for the Blessing Center so it can support local ministry, and for God's guidance and provision in every step.

Nara, (Restricted Access, DPG Day 19)

Pray for deep healing and restoration for the cousin struggling with mental illness, that dependence on medication would lessen and God's peace would guard their mind. Give thanks for the unexpected encounter with the Muslim girl, her openness, and her hunger for Scripture. Ask God to provide His Word in a language she can truly understand, and for the Spirit to continue drawing her toward truth, hope and life in Jesus.

Liz Pfeifer, (Thailand, DPG Day 20)

Pray for God to provide the remaining financial support needed for a return to Thailand in mid-June, so visa renewal and preparation for the literacy workshop can go ahead. Pray for the upcoming course, that the literacy software training—Bloom, Alpha Tiles, and other tools—will equip participants to strengthen education and Scripture access in their own communities. Pray for encouragement, provision, and partners to join in this ministry.

John & Remy Tan, (VIC, DPG Day 24)

Pray with thanks for young adults coming to faith through the AMT Urban Mission Camp, and for Wycliffe's plans for a gap-year program to equip future mission workers. Pray for fruitful learning at EMDC, meaningful visits with workers in Malaysia, and wisdom for John in communication strategies. Pray for Janelle's energy, support and preparation for her Europe mission trip, and for Bible translators facing practical and community challenges.

John & Sharon Thomson, (USA, DPG Day 25)

Pray for wisdom as the Bloom team plans version 6.5, and for guidance in using rapidly changing AI tools well. Give thanks for the successful 6.3 and 6.4 releases, and pray for discernment in upcoming decisions, especially around sign-language features and image-editing tools. Pray for Sharon's continued healing, for restored home repairs after the water damage, and for grace as Paul moves in—that their home life would be peaceful and blessed.

Matthew & Alisa Tingle, (Thailand, DPG Day 26)

Pray with thanks for the Tingle family's visa extension, praising God for His timing and care. Pray as they return to ministry rhythms—Alisa supporting her teammate, Matt encouraging students, and Lucy and Jemima continuing school. Pray for Maya as she settles into life in Sydney. Pray for God's provision for the remaining monthly support needed, and for ongoing strength, unity, and encouragement in this new season.

Ben & Alice Warren, (France, DPG Day 28)

Pray for this family as they prepare for an intense season of travel and connection in Australia, asking God to refresh them and strengthen them as they visit churches and supporters. Pray for the significant financial gap of \$2000 per month to be fully met so they can return to France in August. Pray for peace as they wait on God's provision, for joy in reconnecting with loved ones, and for renewed hope as they navigate the pressures of transition and travel.
