Lorraine & Stephen Cavill, (Australia: R&R, DPG Day 4)

Pray with thanks for renewed RI school visits and for the kindness of the school staff who support Stephen's ministry—even jump-starting the plane when needed. Pray for safety in travel, fruitful connections with families, and encouragement for Christian friends on remote properties. Pray for the church ladies caring for young children during school week, and for strength as they serve. Pray for rain-affected communities, struggling tourism, and for gospel opportunities through every encounter.

Kevin Dyer, (USA, DPG Day 7)

Pray with thanks for God's kindness in sustaining Kevin with strength, health and joy in ministry. Pray for his writing projects, for Bright Hope's work in Haiti, Zambia, Benin and other difficult places, and for open doors in countries long closed to the gospel. Pray for protection and courage for believers facing danger, and for revival where the gospel is advancing.

Christina Eglinton, (SA, DPG Day 7)

Pray with thanks for the two recent baptisms, and ask God to grow Mike and Monte in faith, maturity and good witness as they seek casual work. Pray for long-stalled trustee matters to finally progress. Pray for continued strength and provision for Irene as she cares for her children. Pray for success in locating relatives for Brian, Alvin and Joyce. Pray for unity, wisdom and reliable internet for the upcoming AGM.

Paul & Debbie Howells, (Philippines, DPG Day 11)

Pray with deep gratitude for 30 years of faithful translation work now nearing completion in both languages. Give thanks for God's sustaining grace through decades of labour, partnership, and perseverance. Pray for the final steps—checking, printing, distribution, and community reception—that God's Word would take root and transform lives. Pray for strength, protection, and joy for the team as they finish this long-awaited milestone.

Jason & Kim Job, (QLD, DPG Day 12)

Pray for Jason as he oversees the final stages of maintenance on the plane and for strength and clarity in his work. Praise God for Kim's transition to full-time teaching and pray for her tutoring students to thrive. Pray for wisdom as the family plans for Sam's future schooling and employment. Pray also for their December home-assignment preparations and for continued encouragement in their ministry with MAF.

Jon & Janet Mitchell, (PNG, DPG Day 17)

Pray for MK believers to stand firm mid-week and resist slipping back into old patterns. Pray for humility, repentance and spiritual fitness among those in the Bible Teacher Training and Refresher Courses. Pray for accuracy and perseverance in the women's book translation and the church songbook revision. Praise God for the new Adult Literacy Course, generous House Fund support, Janet's health, and 20 years of ministry. Pray for wisdom in choosing a suitable kayak for village travel.

Rob & Denise, (Restricted Access, DPG Day 22)

Pray for strength during the hot season in N4, and for wisdom as new workers explore joining the ministry. Pray for P's continued healing, emotional resilience after painful family interactions, and boldness and discernment as he shares the Good News—especially with his searching friend. Pray for his upcoming medical trip to Senegal. Pray for Denise's finance work, for Oasis English Center's gospel conversations, and for guidance as new community spaces are developed.

Simeon & Mary Tuyizere, (Ghana, DPG Day 26)

Pray with thanks for God's faithful provision for Simeon's family—their protection, schooling needs, spiritual growth and exam results. Pray for Moses' university hopes and for wisdom in resolving long-term retirement and social security matters. Pray for new teachers for the literacy classes, and for continued impact through the Fulbe–Sissala radio ministry. Pray for growing discipleship in the partnering church, for emerging leaders, and for sufficient funds for the children's feeding and Bible program.
