

GLOBAL PRAYER MATTERS

(Edition PM2625)

Prayer Matters is published by Amber Tobias ambert@servingtogether.com.au every Tuesday.
Please direct all prayer requests to her by noon on Monday.

Steve & Roslyn Baird, (Philippines, DPG Day 1)

Give thanks for meaningful time with Valentina and her children, and for God's comfort as they prepare to return to the Philippines. Pray for wisdom as Steve and the team teach and appoint leaders, and for continued provision through livestock projects.

Bill & Sandra Callister, (NSW, DPG Day 3)

Give thanks that the Saisai team is halfway through recording Acts, and that the Misima team is completing Psalms and beginning the long book of Isaiah. Pray for strength and good health for Bill and Sandra as they continue to battle persistent coughs and slow-healing sores. Ask God to sustain them.

David & Stacie Coates, (Restricted Access, DPG Day 5)

Pray for peace and stability across Thailand, Myanmar, and the Philippines, and for many to respond to Jesus with growing faith. Ask God's favour for school registrations, urgent staffing needs, and the upcoming Teach the Teacher project.

Paul & Debbie Howells, (Philippines, DPG Day 11)

Give thanks for God's amazing provision in completing the three major building projects. Pray blessing over Paul, Deb and the whole team who laboured tirelessly, and for these new facilities to strengthen communities and advance the gospel. Ask God to continue giving wisdom, unity and resources as they serve faithfully and joyfully in His name.

Phil & Sandy Jones, (Mexico, DPG Day 12)

Pray urgently for Sandy's father after his severe heart attack. Ask God to protect his life, sustain his body, and guide the medical team. Pray that an ambulance becomes available quickly so he can be transferred for the catheterization he needs. Uphold the whole family with peace and strength.

Eva Kennedy, (Spain, DPG Day 13)

Give thanks for Eva's residency card, successful driving exam, rich faith conversations, and the joy of her engagement to Abdi. Pray for energy through a full summer, refreshment during the break, and extra help at the hostel so Abdi is not overwhelmed. Ask God to guide their future plans and bless their ministry.

Paul & Fenny, (Restricted Access, DPG Day 20)

Pray that the Word shared in the women's study—especially the story of Zacchaeus—takes deep root and draws unbelieving women to Christ. Give thanks for the new senior-doctor roster and the relief it brings. Ask for perseverance, favour and wisdom as new hospital systems are developed, and for a strong, Christ-honouring testimony among staff, patients and families.

Wendy Scarborough, (Restricted Access, DPG Day 22)

Give thanks for Jordan's improving recovery and the care he received through Hohidiai. Pray for continued provision as the team supports vulnerable families and prepares for the year ahead. Pray for Melly and all staff as they train communities to protect women and children and foster lasting, hope-filled change.

Craig & Sharon Vanderduays, (QLD, DPG Day 27)

Give thanks for Craig's successful hip replacement and Sharon's ongoing ministry across the Asia-Pacific. Pray for their upcoming trip to Ukarumpa, for the Fringe Church mentor workshop to attract the right people, and for wisdom as Sharon navigates complex employment laws.

Daniel & Candide Weekes, (France, DPG Day 28)

Praise God for the safe arrival of baby Jonah and baby Rosie. Pray for grace and strength for the new parents and for the team as they adjust with four members away this summer. Uphold the young adult, youth, kids' and family camps, asking for gospel impact.
