Matthew 9:38 Prayer Rhythm
This week, we invite you to set an alarm for **9:38 each day** and pause to pray Matthew 9:38. Let's ask the Lord of the harvest to raise up and send workers into His field. Your faithful prayers make a difference as we trust God to call and equip more people for His mission.

Ian & Leann Buckley, *(Nepal, DPG Day 3)*
Give thanks for God's provision in renewing Ian and Leann's business visa and for opportunities to expand training ministry. Pray for wisdom and favour amid political opposition and increasing pressure on Christian workers. Ask God to protect and encourage the visiting team, strengthen local believers, and open doors for the gospel to continue advancing despite present challenges.

David & Stacie Coates, *(Restricted Access, DPG Day 5)*
Pray for God's provision and guidance as Crossroad School seeks a new Head of School and a teaching couple for its secondary program. Give thanks for a strong candidate being interviewed and ask the Lord to clearly direct the selection process. Pray that He would raise up the right people to serve, strengthening the school's ministry and impact for years to come.

Aaron & Shelley Daniell, *(NSW, DPG Day 6)*
Give thanks for the growth of evangelism and discipleship through Ambassadors for Christ, with churches being equipped to share the gospel and develop a culture of witness. Pray for Griffith Presbyterian Church as they implement their evangelism strategy, for continued momentum in newly engaged churches, and for many people across Australia to come to faith in Jesus through these ministry partnerships.

Jared & Megan Emery, *(Albania, DPG Day 7)*
Give thanks for God's faithfulness as the Emery family settles into life and language learning in Albania. Pray for deep friendships, supportive community, and continued progress in learning Albanian. Give thanks for the approval of their visas and a refreshing team conference. Ask God to provide wisdom regarding transport needs, smooth future visa applications, and ongoing opportunities to share His love.

Phil & Fiona Emery, *(PNG, DPG Day 7)*
Give thanks for Phil's recovery from walking pneumonia and pray for complete healing. Pray for God's work through the High School Spiritual Emphasis Weekend, that students would be encouraged and equipped for life and faith. Uphold Fiona as she serves at the Ladies Retreat and give thanks for much-needed rain. Pray for continued rainfall and relief from smoke across the country.

Herman & Belinda Lamprecht, *(South Africa, DPG Day 14)*
Pray for the Lamprecht family as they grieve the loss of Belinda's father and find comfort in God's presence and promises. Give thanks that Belinda was able to be with him in his final moments. Ask the Lord to strengthen the whole family, sustain their faith, and fill their hearts with peace, hope, and confidence in His sovereign love and care.

Elise Long, *(Philippines, DPG Day 15)*
Give thanks for gospel growth, leadership development, and opportunities to disciple emerging church leaders. Give thanks for progress in health, education, and community projects, and pray for strength, wisdom, and fruitful ministry as Elise prepares to return to Australia.

Sophia & Peter McCrindle, *(NSW, DPG Day 16)*
Give thanks for God's faithfulness through organisational change, opportunities for leadership, and encouragement from a visit to Central Asia where believers continue to stand firm in faith. Pray for Peter's full recovery after surgery, wisdom and strength for Sophia in her expanded responsibilities, provision of additional financial support, and for God to raise up the right people to strengthen their global ministry team.

Karl & Elaine Mosby, *(QLD, DPG Day 17)*
Pray for Elaine as she continues to face serious health challenges, including kidney failure, ongoing treatment, and recovery in ICU. Ask God to grant wisdom to her medical team, strength and peace to Karl and the family, and healing according to His will. Give thanks for small signs of progress and pray that Christ would be clearly seen through their testimony.

Liz Pfeifer, *(Thailand, DPG Day 20)*
Give thanks for the growing impact of Alpha Tiles and Bloom in supporting literacy and language communities around the world. Pray for language teams using these tools, that new games and resources would be effective and widely used. Ask God to give Liz wisdom, creativity, and balance in her studies, work, and church involvement, and that many would encounter Christ through community outreach opportunities.

Rob & Denise, *(Restricted Access, DPG Day 22)*
Please pray that we would guard against the subtle distractions of life and remain focused on Christ. Pray for comfort and wisdom as we continue to grieve Paul's passing, and that his family would remember the faith and peace they witnessed in him. Give thanks for new workers in N4, and pray for rest, refreshment, family celebrations, and God's ongoing provision.

Seng Hock & Luba Yeoh, *(Japan, DPG Day 29)*
Praise God for opportunities to share the gospel with seekers in Japan and for encouraging new connections through university outreach and church relationships. Pray that Li and George would continue seeking Christ, that Ender would stand firm despite family opposition, and that Chinese believers would grow in faith. Ask God to bring hope, healing, and spiritual fruit through ongoing discipleship and friendships.
